

Information Literacy Student Self-Evaluation

We believe that the learning that *comes from doing this Research Project is just as* important as the grade you received. This self-evaluation is the final step in completing this project. Please answer the following questions reflecting on the project you have just completed.

1. What is/are the feature(s) of your project of which you are the most proud?
2. What steps in doing this project did you find the most difficult?
3. What steps in doing this project did you find were the most important?
4. What, if anything, will you change about the way you handle your next research project?
