

November 20, 2007

Dear Parents,

We have been informed by a representative from PACE Suburban Bus Service that a potential job action might take place on Monday, November 26, 2007, which could result in there being no bus service for our students in District 207.

Even if a disruption in bus service occurs, Maine (East/South/West) High School WILL be open. We encourage parents to identify alternative methods of transportation to school should the buses not be operating. Please check the news and our website for updated information.

We appreciate your understanding of this situation.

Sincerely,

Steven T. Isoye  
Principal
